NARRATIVE:

Romero, a documented member of the "Sureno" gang, has an adult criminal history that began at the age of 20 and includes convictions for assault, robbery, illegal possession of concealed firearm, possess firearm w/ prior violent crime, battery of former spouse, disobey court order, under the influence of controlled substance, resisting arrest, and violation of post release community supervision. Romero has served multiple state prison terms the longest a four (4) year term for illegal possession of firearm. Romero was released from state prison to the supervision of the Los Angeles County Probation Department on September 11, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Romero absconded from post release community supervision (PRCS). Romero qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for illegal possession of firearm is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release, make him a most wanted. If you know his whereabouts please contact...
